# I invite you to join in this unforgettable journey, "In the foot Steps Of Paul".

As we tour Greece and Turkey, you will discover many of the sights that are so familiar from reading the book of Acts and the Epistles. We will see the places where the real action unfolded, as the church of Jesus Christ was expanding 2,000 years ago!

From Athens, Corinth, to Philipi, Thessaloniki, Ephesus, Laodicea and much more, the Gospel of God's Grace will come alive in a new way as we better understand the people who first received it. Personally I look forward to unparalleled opportunities of teaching great nuggets of God's grace, right where the revelation first came.

Your time is now. See you as we walk where the apostle Paul walked.
